## Description

Large painting representing a young Breton in a 19th century interior. Very nice painting with its original frame in gilded wood, dimensions 79 by 91 cm in very good condition. Note the quality of the realization suggesting that we are in the presence of a renowned painter mastering his art. The table happens to be in its original configuration and therefore never restored or cleaned. No trace of visible signature, perhaps this one will appear during cleaning. Very nice overall decorative effect. Possibility of sending in France and all over the world.
