Description

Pretty little Louis XVI style terminal clock in chiseled and gilded bronze, the round dial with a pearl outline in white enamel with indexes with Roman numerals for the hours, Arabic for the minutes, It is set in an oval terminal with fluting, arched with a crown of laurels in the upper part and surmounted by a covered vase with handles in the shape of rams' heads, The projecting base is decorated with a garland of flowers and a cartouche in the center decorated with a couple of birds. Beautiful carving and very good state of preservation of the original gilding, movement in working order, it is signed POPON in Paris and bears a bronze medal stamp. Napoleon III period.
