Description

Gouache painting from the 19th century school F Boucher representing two bathers near a river. Very nice scene, very well executed by its finesse of lines and its color palette. Work of the 19th century in the spirit of the 18th century evoking the sweetness of life and a certain carelessness still specific to this century. Dimensions to the frame 33 by 27 cm. Possibility of sending in France and all over the world.
