# Sputnic Chandelier Year 50

3 800 EUR

Signature : inconnu

Period : 20th century

Condition : Bon état

Diameter : 70

Height : 120

## Description

pretty vintage chandelier in the shape of a sputnic, 12 arms of light ending in a small UFO from the central discs which are positioned obliquely with a spatial cone which holds everything together. the arms are made of two tubes, one in nickel-plated iron and one in brass to split the volume and increase the shape of the design. in small UFOs is to fix the socket. Very fashionable at Expo 58 in Brussels.
