Lovely pair of silver decanters (neck brace hallmark) and crystal. These objects can also be called the Cristallerie de Daum. Decorated with thistles, signed Daum Nancy in pen below the carafe. On one of the carafes the signature is slightly erased. The decor of the thistles is slightly enhanced with gilding on the crystal part. Several hallmarks of the neck brace appear on each decanter. The two carafes or bottles have not been cleaned, they can be cleaned to bring out the color of the silver. Lovely objects, notice to amateurs!!!!
