Description
-------------

Very beautiful wool rug with an emblematic "seventies" design; round chain motifs, typically "space age" or "pop art"... Ideal in a design, vintage, Scandinavian or contemporary decor. This carpet is authentically from the 70's, but no longer bears a label... It has just been cleaned by a specialized professional, it is ready to be put in situation. It is in excellent general condition, apart from a small lack of fibers and slight foxing on "cream" areas (see last photos). Size 200 x 300 cm
