Description

Superb suite of 8 chairs with 19th century frames in mahogany. They rest on console legs on the front and saber legs on the back. The reversed backrest is made up of a finely carved cross assembly with a floral motif in the center. All the chairs have been reviewed by the cabinetmaker and the seats completely redone. Its chairs are of great elegance, in perfect condition and solid, the seat with frame allows at any time and easily to change the fabrics.
