

Pair Of Opaline Vases "the Cherubs"

120 EUR

Period : 19th century

Condition : Bon état

Material : Opale

Diameter : 8,5 cm

Height : 17 cm

Description

The elongated cherubs offer a realism worthy of a painting. They are represented as an attribute decorated with cherubs. The allegory of the couch and the nativity is appreciable. The stylized heart-shaped vegetal frieze further enhances the medallion. The collar takes on a corolla shape. The painted opaline from the Napoleon III period, all in pairs, is rare. Possible delivery not included in the price
