850 EUR

Period : 19th century

Condition : Etat d'usage

Material : Solid wood

### Description

#### Quick description

Imposing and ancient sculpture of Christ, popular art.

Made of oak or chestnut in a very raw and unique way, always in one piece and very solid.

Piece difficult to date, on the back you can see engraved 1556, but I would go for a copy of a piece from this period.

In any case, given its superb patina, this sculpture is over 200 years old.

The set has been perfectly treated against undesirables, the patina has been preserved.

#### Dimension

110cm in height, for a weight of 25kg.
