Description

-Structure with two circular gradations in gilded bronze. The highest gradation, formed by a solid circle and a plume of cut glass daggers, supports the lower gradation with four bronze chains. This second gradation, composed of an openwork circle of palmettes, constitutes the starting point of a decorative ensemble.

-This set consists of four sconces linked together by a garland arranged in a festoon of almonds and glass daggers. Each light is embellished with a cobalt blue glass bobèche. It continues with a cobalt blue translucent glass basin, a gilded bronze pinecone completes the whole.

-In neoclassical inspiration and in the style of Swedish chandeliers from the beginning of the 19th century, this chandelier is a beautiful copy of
