

## Large Virgin And Child XVII Alabaster From Trapani

550 EUR

Period : 17th century

Condition : En l'état

Material : Alabaster

Height : 44 cm

### Description

Beautiful Madonna and Child in Trapani alabaster from the 17th century. Subjects without heads, but this sculpture remains very interesting by its large size, the graceful attitude of the bodies and the drapes, the polychromy. The whole rests on an octagonal plinth adorned with a coat of arms. Height: 44cm
