Description

Quick description

Old sculpture, ex-voto of Saint Florian, popular art around 1880.

Entirely carved in lime, original polychromy.

Holds in his gauge hand a wooden and brass ferrule, seems to miss a bucket in his right hand.

The house lets out flames made of wood as well.

The set has been slightly cleaned, patina of time protected.

Good general condition.

Dimensions

60cm high, 26cm wide and 22cm deep.
