

## 19th Century Pendulum With Characters In Glazed Earth

850 EUR

Period : 19th century

Condition : Très bon état

### Description

Astonishing 19th century clock in ocher glazed earthenware. It represents a gallant scene of a man courting a woman. The whole on a turbulent base decorated with foliage and scrolls. The movement with Roman numerals on an enamel background is surrounded by a brass frame with an alarm function. Beautiful quality clock in perfect working order, revised and original.
