Description

Suite of 4 weapon trophies, allegories of war representing guns, swords, sabers, spears, crossed under shields, drums or cuirass. The trophies suspended by ribbons ending in trimmings tassels. Work from the 18th century, very finely carved, they are presented in modern blackened wooden frames on a background stretched with green canvas. Beautiful set of great decoration to present as is, or to integrate into old woodwork to enrich a decor. The set is in good condition, small gaps and parts glued to the decorations.

Dimensions of the frames: 31.7cm x 76.5cm
