Description

Beautiful old painting from the art deco period, oil on canvas signed at the top right by the painter José Palmeiro, representing a bouquet of peonies in a vase placed on a pedestal table. Charming composition with a tight and plunging frame, with a post-impressionist touch, used by the artist when he came to Montparnasse in the 1930s. In its molded/gilded wooden frame, a second painting from the same provenance is for sale in our other announcements. All in good condition, see photos. Total dimensions approximately 95 cm x 80 cm, canvas only 74 cm x 60 cm
