

## Polichinelle Silver Plated Sculpture, Commedia Del Arte.

220 EUR

Period : 20th century

Condition : Très bon état

Material : Silver metal

Width : 9

Height : 25,5

Depth : 9

### Description

Character sculpture representing a puppet or harlequin from the 1930s in silver metal. Very nice subject with this facetious character of the commedia dell arte represented here in an attitude of buffoonery typical of his attitudes in the plays of the Neapolitan theater. Object of very good quality with a beautiful silver patina, base in green onyx. Possibility of sending in France and all over the world.
