1 300 EUR

Period : 19th century

Condition : Très bon état

Description

Circa 1830 France Alsace Complete Duchess bed set including three-sided bedspread, sky with two slopes forming curtains and a large canopy tower. Indian printed on a roll or copper plate with a very elaborate design of large bouquets of natural flowers in shades of purple and curry yellow. Unidentified Alsatian factory. A frieze printed on cotton with neo-classical motifs adorns the tower. Ecru hemp lining. Lining around the canopy in indigo-checked Rouennerie. Excellent state of color and conservation. French set of very beautiful freshness for a manor house or a country castle. Copper plate printing gives a fine design with color gradients, like a gently sloping print. Rustic and refined at the same time! Dimensions: Bed top: 178 cm x 123 cm x 42 cm (slope height) Sky at the back: 178 cm x 99 cm in
