

Support Cabinet In Blackened Pear Tree, Napoleon III Period - Mid-19th Century

6 900 EUR

Period : 19th century

Condition : Parfait état

Width : 80 cm

Height : 107 cm

Depth : 40 cm

Description

Elegant support cabinet, in ebonized pear, topped with black marble and inlaid with chiseled brass with motifs of foliage, foliage, butterflies and chimerical creatures. It opens with a door, pulling to the right, decorated with patterns and provided with an original lock in working order with key and entrance.

The domed central panel, oval in shape, is surrounded by a bronze molding decorated with flowers and a pearl. The mahogany interior is structured with two adjustable shelves on racks. Also with brass inlays, the belt is underlined by scalloped mouldings, and the uprights with cut sides are embellished with patterns, espagnolettes and scraps.

The whole rests on a projecting base fitted with a wrapped bronze. The sides are decorated with a central motif and spandrels. This blackened pearwood support unit will appeal in particular for the rigorous work it has benefited from, both in terms of the choice of species and its quality finish.

Period: Mid 19th century Perfect condition after restoration in our workshop. Later repair of the marble. Buff varnish finish on the outside and shellac on the inside Delivery and installation possible, in France and Europe, by our partner specializing in the transport of furniture and works of art.

Maximum dimensions: Height: 107 cm Width: 80 cm Depth: 40 cm
