

## Antique Case For A Large Object In Wood And Paper.

250 EUR

Period : 18th century

Condition : En l'état

Material : Painted wood

Width : 30cm

Height : 68cm

Depth : 9- 19cm

### Description

Antique case for a large object in wood and paper. XVIII-XIX century.

The wooden structure is covered in dark red paper on the outside, and turquoise on the inside.

The case has a beautiful patina, the signs of normal wear of the time should be noted, with scratches, cracks and stains. (see photo)

The shape of the object resembles a suit of cards.

It can be used both to keep an important silverware object and as a decorative object in itself.

The thickness of the box is 19cm at the base, at the top the thickness is less, measuring 8-9cm
