

Enamel Decanter-montjoye

150 EUR

Period : 20th century

Condition : Très bon état

Diameter : 7 cm au pied

Height : 23,5 cm avec bouchon 19 cm sans

Description

We present this pretty enamel carafe with golden highlights complete with its stopper. The decor is made of flowering branches and a bird, all enamelled, the handle is enhanced with white enamel point, and note the presence of golden fillets. The work reminds us of Montjoye production. For delivery please contact us.
