450 EUR

Period : 20th century

Condition : Parfait état

Length : 20 cm

Width : 14,5 cm

Diameter : abat jour 25 cm et 18 cm

Height : 38,5 cm

### Description

This hand-held hot water bottle lamp, with two lights, is in silvered bronze (very good condition of the silvering). The lampshade is in painted sheet metal and is adjusted and locked with a screw key. Note, its light yellow color, infrequent and original. The gadroon motif is repeated throughout the lamp, which is mounted on four feet. The original electricity works.
