

Pair Of Louis XVI Bronze Candlesticks.

780 EUR

Period : 18th century

Condition : Etat d'usage

Diameter : 14cm5 à la base.

Height : 29cm

Description

Pair of chiseled and gilded bronze candlesticks from the Louis XVI period, the baluster shaft is fluted, the circular fluted base decorated with heart rays, and in part a frieze of pearls. Note the slightly corroded gilding, and see a restoration under the probably original old base. Payment by bank transfer. Shipping extra.
