Description

LE CERCEAU: games of nymphs and satyrs.
(Louvre Museum).

Very pretty miniature painted in blue white
grisaille on ivory executed with talent by
Lucienne FRISON-FABRICE after a work by
Jean Guillaume MOITTE (1746-1810).

It is signed lower right: L. Frison Fabrice after
MOITTE.

This miniature is in good condition, well framed,
note two small slits on each side which in my
opinion are original and made by the artist to
lengthen the work on the base part (see photos).
