450 EUR

Period : 20th century

Condition : Très bon état

Material : Enamel

Diameter : 72

Height : 46

Description

Coffee table or side table by Jean and Robert Cloutier, enamelled lava top on solid wrought and hammered iron base, the 4 legs joined by a hot-riveted circle. The artist wished to represent, by the shapes and colors of the enamelling, no less than the creation of the universe, according to the family tradition. Dimensions: Diameter 72cm height 46cm for a weight of about 25 kg
