Description

Oak wardrobe from the Louis XIV period, late 17th century. Origin north of France. Sculptures of heads of cherubs, including part of the three cherubs at the bottom and the one in the middle at the rear. Doors composed of three flowerbed panels with flower carvings in the corners. Low drawers, low and high molding in the rear part. Back from the 19th century. Beautiful original chiseled bronze hardware: plugs, door entries and drawer knobs. Original lock. Targettes left door in wrought and chiseled iron. "Golden" oak patina. Possibility of interior fittings in laundry room or wardrobe . Very good state. Can be disassembled into ten parts. Restored at the workshop. See site: google site vaubourgeix igor restoration.
