## Description

Witch Mirror composed by definition of a Round and Convex Mirror with a distorting effect. The latter is part of a Golden Frame with Aged Patina, Molded on its edges. Protruding half balls arranged at regular intervals garnish the hollowed out part. This entourage is topped by a Generous Pediment, dominated by an Eagle with outstretched wings. The raptor is camped on a Vase with a flared body, placed in the middle of Leafy Scrolls. The lower part of this mirror is also sculpted with patterns with rounded lines. It will be noted that the Gilding reveals Discreet and Subtle shades of Red, adding to the Personality of this Ornamental Object. In addition, its Domed Glass allows a diffusion of Light different from other more common models, and a greater angle of view. This is why -
