

## Corozo Empire Snuff Box

580 EUR

Period : 19th century

Condition : Bon état

Material : Corozo

Height : 8 cm

### Description

Interesting snuffbox in corozo nut representing a "grogard" equipped with his regulation kit and probably holding in his hand a powder flask or a flask. The condition is quite good, although it should be noted that there is wear to the headdress and a crack in the right shoulder. The patina is pleasant and the closing system is perfectly effective.
