Description

Original terracotta sculpture by Pierre Étienne Campagne from the 19th century in the Louis XVI Directoire style. Very pretty work by this artist representing an elegant woman in a late 18th century costume looking at herself in her mirror, marked the coquette in a crest on the front. Signature of the artist on the base. Note the original polychrome all in nuances in excellent condition. Nice size, height 63 cm. Uncommon work surely unique on the market.
