

Coffee Service

450 EUR

Period : 20th century

Condition : Très bon état

Material : Silver metal

Length : 53cm

Width : 32,5cm

Description

This coffee and tea service brings together on a silver metal tray with precious wood handles a coffee maker, a teapot, a sugar bowl, a milk jug, and something rarer, a tea strainer. It is in the Art Deco style and comes from Morocco where it was made by a French goldsmith during the Protectorate era. (see hallmarks). Its line, firm and sober, makes it akin to the best creations of the time. Heavy metal and thick silver plating
