Description

Superb and great watercolor of a crouching monkey.

From the Art Deco era, it is dated 1927 on the back.

In very good condition and very well made. The presence of some repentance shows us the search for the best features by the painter. The monkey's face in particular is very precise and realistic.

This drawing reminds me of the works of the great animal painters of the interwar period such as Jouve, Guyot and Nam.

I couldn't decipher the signature of this talented painter.

The colors are fresh. The protected watercolor
