Description

A beautiful pair of cloisonné vases on brass JAPANESE provenance From the 1900s It's a real pair because often they are doubles...! The decorations are on the same theme with differences in the bird and the composition of the flowers. In good condition Note some slight scratches... Mini enamel defects during manufacture... They are even enamelled on the inside FYI the JAPANESE are specialists in cloisonné objects, theirs are finer. Weight...2 kilos 215 gr
