

Astonishing And Old Portait, Painting On Sheet Metal Around 1850. Face Of Christ Holy Shroud

220 EUR

Period : 19th century

Condition : Etat d'usage

Material : Metal

Description

Quick description

Astonishing and old portait, painting on sheet metal around 1850.

Face of Christ represented on a sheet, Holy Shroud.

Beautiful patina of time and use, very "bluish" appearance probably due to the paint on the bottom used.

The frame and its assembly are not original, but the whole presents wonderfully well.

Dimensions

24cm high, 18cm wide.

Price

220EUR
