Description

- Very good conservation for this N° 3 of the general reports - classe 2 to 6 - close to new, untrimmed and uncut, which prevents us from showing a photo of the title page, as well as that of the tables - - 114 pages including 96 illustrated plates out of text, with large margins, superb work of the typographers and printers of the national printing office - - These reports were not intended for sale, but distributed to those concerned by the exhibition, as well as the ministries having participated in it - - We have assembled several plates per photo, in order to be able to show more illustration, photo 1 is an assembly of the front cover, with the nomination for the recipient of this volume, Mr. Genuys, and the bas relief of the Bacarat / Christofle pavilion -
- We attach photos of each class, Art & Industry
