### Description

Large Gaetano SCIOLARI chandelier for MAZZEGA (Murano).

Superb large 70s chandelier with 6 glassware from MAZZEGA in MURANO. The nickel-plated steel frame is reminiscent of the Bauhaus art deco taste with its cylindrical central shaft carrying 6 curved branches dressed in 6 colored Murano balls. This large model has been re-electrified in our workshops, retaining the original E14 sockets. You can play on the total height by removing rings from the chain. The nickel-plated steel frame has been polished in our workshops and has some very slight defects that are invisible in situ.

The glassware is in perfect original condition.
