

## Large Chandelier In Gilt Bronze And Alabaster End XIX

3 800 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Diameter : 0,80 m

Height : 1,17 m

### Description

Large seven-light chandelier in gilded bronze, alabaster and ropes and frosted glass plate. Late 19th century. One of the alabaster plates has a slight crack, an additional bail is available to consider a greater height. Electrification (six bayonet sockets inside the chandelier). We do not guarantee the electrification which is original. Very beautiful original gilding for this rare light. DIMENSIONS: 1.17 m high and 0.80 m in overall diameter.
