Description

I don't know about you, but I love it, I love the work of these rugs like works of contemporary art, I love their light and the colors of these naturally dyed wools and I love this mess, But this disorder is only order and purity. Carpet to put on the wall rather than on the floor, thickness 5 cm, this beautiful Berber work, knotted by women is a Moroccan fantasy full of spirit! The illiteracy and isolation of these Berber women were expressed in the silence of the very construction of carpets by an abstract tribal iconography deeply buried since the dawn of time in their collective consciousness. These rugs tell the story of women's lives, each woman creates her rug, her rugs, which makes each piece unique and singular. (Far from the commercial criteria of today) These women prisoners of their conditions
