Description

We present for sale two works by Marin GENOUD painter born in 1893 and died in 1966. The first one of a fairly large format entitled "the reeds" in the late autumn period when returning to winter . This painting is superbly framed. I dare not imagine the price that the framing cost at the time. This painting is not dated but it cannot be less than sixty years old. On the other hand, it is well signed at the bottom right. (E23) Ref. Ya 456
