Description

We present immediately behind the first work this second of Marin GENOUD. It is an oil on cardboard signed lower right and representing a hamlet under the snow. It would seem that this hamlet is located in the GIER valley, department 42. This painting is at least sixty years old because Marin GENOUD died in 1966 at the age of 73, he was born in 1893. In any case it is superbly framed . (E23) Ref. ..... Ya 455
