

## Printing Matrix - Serratura De Gersdorf - 1517

150 EUR

Signature : inconnu

Period : 20th century

Condition : Bon état

Material : Metal

### Description

Printing matrix datable to the 20th century, perfectly reproducing identically the famous engraving known as the "Serratura" published in the work by Hans von Gersdorf in 1517 entitled *Feldtbuch der wundartzney*. This engraving is considered the first depiction of an amputation scene. The plate measures 190x133mm.
