Description

Charming writing table in satin veneer from the 18th century. Resting on four curved legs, it opens with a drawer on the front, the scalloped top, lined with fawn leather struck with a pendulum, is surrounded by a bronze ingot mold. Beautiful bronze trim (shoes, espagnolettes and pull button) from the 19th century. Small middle desk because we note the presence of a false drawer on the reverse. Furniture restored and refinished.
