

XIXth Painting, Couple Of Fishermen

950 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting

Width : cadre 63,5 cm vue 48,5 cm

Height : cadre 52 cm vue 37 cm

Description

Beautiful oil painting on canvas from the 19th century representing a portrait of a couple of fishermen. The 2 characters have a superb facial expression, the paint is of good quality and the details are realistic. This painting is probably a fragment of a larger canvas, difficult to give an origin on this canvas but what is certain is that it is not done by an amateur. It is presented in a wooden frame and old gilded stucco
