Description

Important and rare antique Italian of the period Louis XIV chest of drawers, 1680. On the front three large and useful drawers. The first drawer has a very rare feature, the front opens to become a writing surface and internally there are eight small drawers with a central arched structure. Characterized by front and sides with relief decorations hand carved in solid walnut wood. High quality cabinetry whose characteristics are to be located in the northern Italy area and precisely in the Piedmont region. In the 17th century only important families could afford to have furniture of this value. This chest of drawers comes from an important and historic northern Italian family. In perfect antique condition ready to place in your beautiful home.
