### Description

Rolling Service Table composed of two similar Smoked Glass tops, 7 mm thick, and a Brass structure. Two Cylindrical bars connected by pairs of "S" to the upper plate constitute Aesthetic Handles, which will facilitate the movement of this Trolley. The longest sides are fitted with a protective brass strip to prevent any objects from falling on this table. These elements are also present on the second shelf, additionally furnished with Brass Bottle Racks, divided into two rows of three compartments. Those in the center are oval, the others are round. These two trays are joined and crossed by four Cylindrical and Ribbed uprights, resting on Rubberized Brass wheels. We will highlight the Perfect condition of this Table, its Solidity, as well as the Quality of the materials that compose it, namely its Glass
