85 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Description
-------------

Superb Berber koummya, traditional dagger from the Atlas region, dating from the 20th century.

This model is distinguished: by its pommel in the shape of a policeman's hat and its wooden handle, offering a comfortable and elegant grip.

The scabbard is made of brass covered with silver plates finely decorated with friezes and scrolls with geometric patterns, emblematic of Berber craftsmanship.

The steel blade is curved, typical of this style, giving this piece an authentic character. In good general condition, this koummya demonstrates ancestral know-how and continues to symbolize elegance and social position in Berber culture.
