### Description

Superb contoured dish, slightly hollow, in good condition (it rings like a bell), the superbly openwork border develops a trellis decoration on which an empelopsis is hung. It's as beautiful as lace.

On back of this plate, mark crisscrossed blue, resembling the marks of Saxe, but which I believe rather of Thuringia, see last photo.

Good condition, no wear, like new, but a light distortion and a slight oven flaw on surface.

Dimensions: 27cm x 3.5cm. Take a good look at our photos.....
