18th Century Character Sculpture In Linden

450 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Height : 28 cm

Description

Elegant 18th century sculpture in linden. It represents a character covered with a large cape presented on an original base. The work and the sculpture is of quality with a clean and deep carving, the patina of the wood is of golden honey colors. He had to hold in his hand a cane or a stick, difficult to define the character without attibut. Quality work in good condition, with a superb patina.
