Description

Fantastic gothic style cabinet made in the first decades of the 20th century. In solid oak wood. Characterized in the upper part by a majestic architectural decoration carved in wood. The two colored cathedral glasses are of great value. This cabinet splits into two parts for convenient transportation. Internally two shelves that can be moved to the desired height. In the lower part, an opening top becomes a comfortable space for writing and equipped with six small internal drawers. In the lower part four other comfortable drawers available. Large useful space. Cabinet of great value will be admired by all your guests. Perfect conditions.
