Lamp Base In Asian Bronze

390 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Height : 31 cm

Description

This late 19th century bronze lamp base is Asian in style and probably from Japan. Originally, this lamp base was a finely chiseled bronze candle stick with a brown patina. The modification did not require any processing (no drilling, cutting or otherwise). Simply remove the socket to find the candle stick in its original state. Height of the candlestick without the socket: 31 cm The electrical assembly is new.
