### Description

Vintage Maitland-Smith coffee table with travertine veneer from the 1970s, Hollywood Regency. This sofa table or cocktail table has an oval shape, with a fake tree trunk in the middle with 3 surfaces of different heights, which makes it suitable for many areas of use. The subtle coloring adds to the organic look of the table. It is made of travertine veneer on a plywood base, which makes this table light and easy to move
