Pair Of Nineteenth Cups In Langeais Earthenware

850 EUR

Signature : LANGEAIS

Period : 19th century

Condition : Très bon état

Material : Earthenware

Diameter : hau 23cm

Height : 21 cm

Description

Superb and rare pair of earthenware cups from Langeais, XIXth century. Slightly conical in shape, they have a decoration of bunches and leaves of silver-colored grapes all around behind openwork rods. 2 mobile rings allow transport, the whole in perfect condition without accidents or restoration. Note that one of the 2 cuts is pierced in the center on the underside. Decorative and original objects.
